

1974 Lantern

We the students of R.S.D. want to express our gratitude for your attention and love and for sharing our thoughts. There is a special place for you in each of our hearts. Whether we agree or disagree you always respect our thoughts. We appreciate you for that . . .

Therefore, Mr. Maxey
we dedicate our yearbook to you.

Visions of the future...
a world to be born
under our footsteps"

campus
life

We grow and change with the world around us.

"Don't you know . . .

. . . deep down we all are
butterflies."

Shawn Phillips

"The behavior of the fully
human being is always
unpredictable . . .

Simply because it is free"
John Powell

"Remember by finding
things within your-
self . . .

... only then will you
be able to share them
with others'' -

Walter Rinder

"I am a part of all that
I have met;

Yet all experience is
an arch where through
gleam that untravelled
world . . . "

Tennyson

"To be that self which
I truly am . . .

. . . No matter how foolish, silly, or ridiculous I
may be - that's me and I've got to be patriotic to myself.
" Huxley

"Silent sunlight, welcome in. There is work I must now begin . . .

All my dreams have
blown away
And the children wait to
play.

Cat Stevens

"A growing person is self renewing . . .
as new as each new day . . . " John Powell

"Well I don't care if I'm
pretty at all
And I don't care if you
never get tall
I like what I look like
And you're nice small
We don't have to change
at all."

Shelley Miller

"Live for today but . . .

Remember yesterday
And think of tomorrow."
Rinder

"Can you imagine us
Years from today,
Sharing a park quietly?"

How terribly strange to
be seventy."

Paul Simon

administration

Dr. Hoag,
You and your family will
be missed when you leave RSD.
We thank you for the time,
effort, interest, enthusiasm
and friendship you have given us.
We wish you the best of
luck and happiness as you
begin a new challenge.

TO THE GRADUATES OF 1974,

"If you wish success in life, make perseverance your bosom friend, experience your wise counselor, caution your elder brother, and hope your guardian genius." (Joseph Addison)

Ernesto Ayala

I'm feeling so good and my friends all tell me I'm looking fine.

Jim Curry

Traveling is part of experience
and pleasure.

Ritchie Fisher

I'm happy . . . I play well in sports.

Meredy Klonick

It is important to lead a good and useful life . . . to help others is to be happy. In helping others enjoy sports more, I enjoy them more too.

Roberta Merrill

Love . . . feeling free and good, together and yourself.

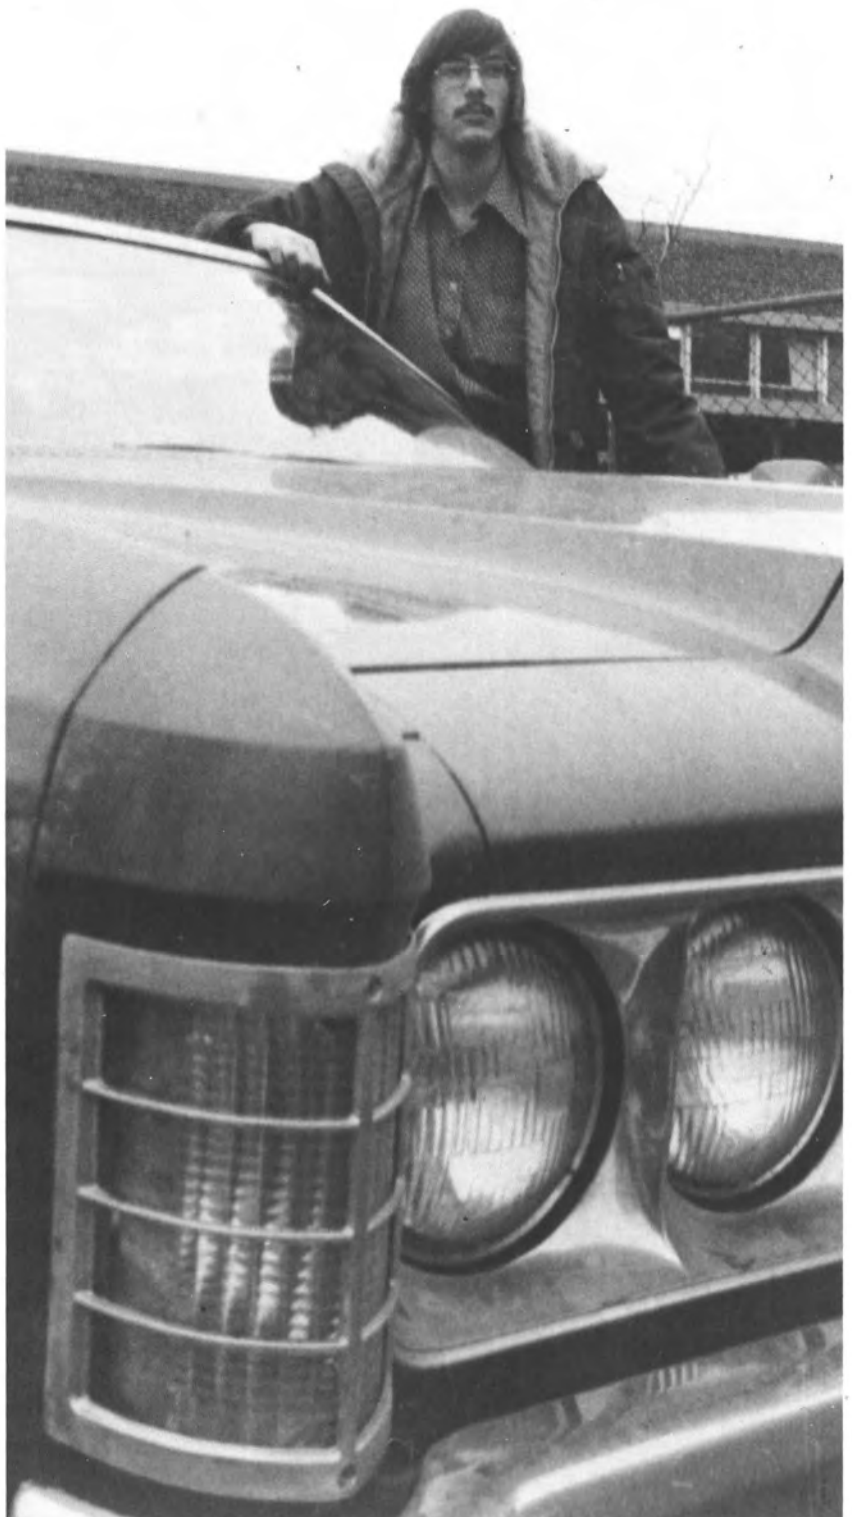

Debra Metzger

"A day is wasted without laughter."

Russell Micalizio

"You've got to have friends, the feeling's oh so strong. You've got to have friends to make that day last long."

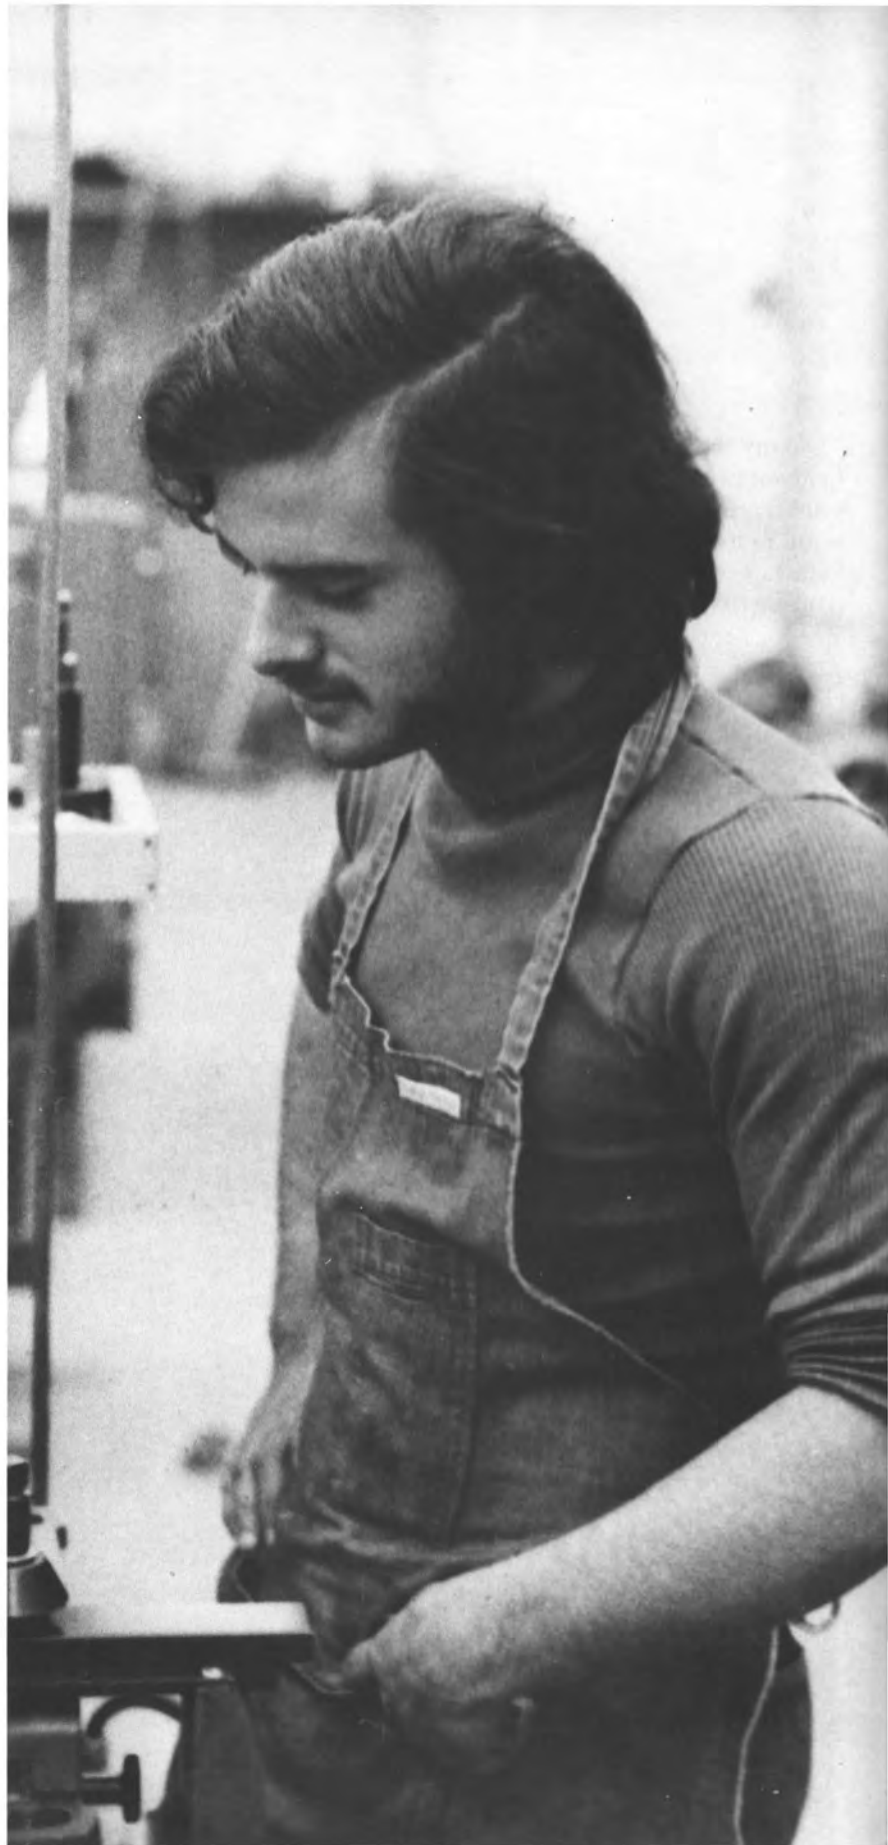

Donna Nelligan

"I do my thing and you do your thing.
I am not in this world to live up to
your expectations and you are not in this
world to live up to mine. You are you and
I am I. And if by chance we find each other
it's beautiful."

Walter Parent

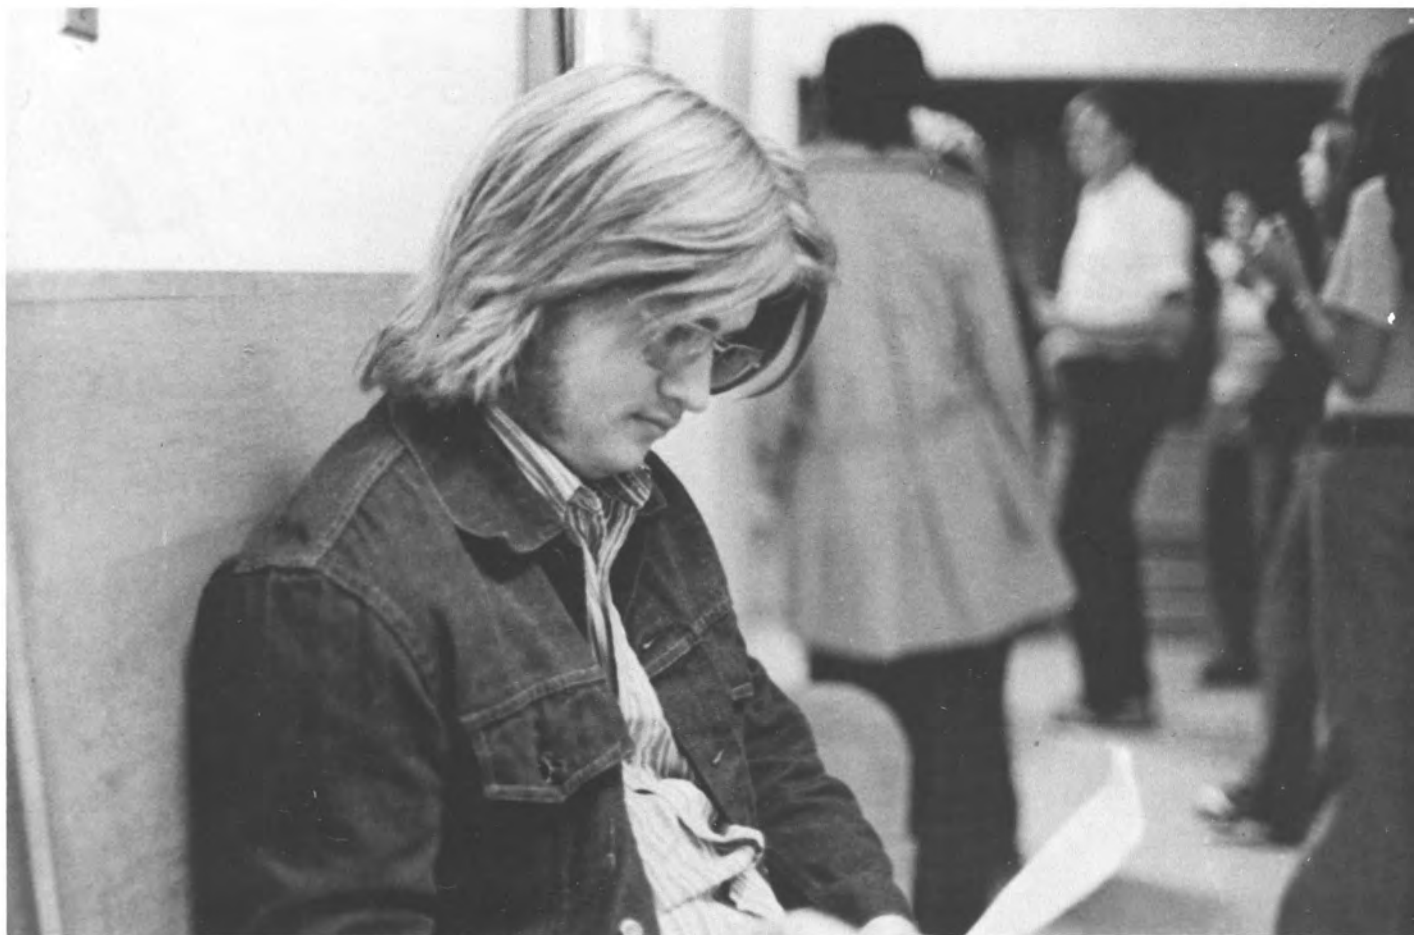

"It matters not what you are
thought to be but what you are."

Alan Rodell

"Laugh and be proud to belong to the old proud pageant of man."

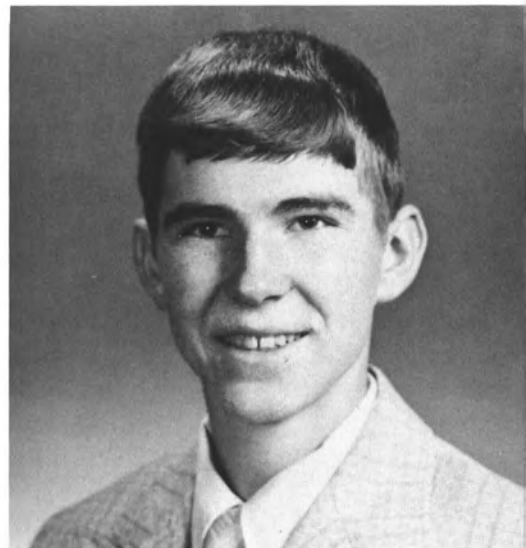

Patty Test

Working hard, enjoying friends,
laughing . . . I like to be free
and alone.

Louis Weigert

Time is made in your mind
Gotta be alive
Life is on your side.

David Williams

I ski through white snow . . .
. . . with shining eyes and red face
the sound of skis through a quiet world.

Adelle Yott

"You give little when you give your possessions. It is when you give of yourself that you truly give."

"You... have a reason
to live — to learn, to
discover, to be free!"

Discover nuclear power

Visit the Brookwood Science Information Center. Get the inside story. From the inside. Learn how RG&E's Ginna plant (next door) will produce electricity. Films, lectures and animated displays make it easy to understand. Come out to Brookwood any Sunday through Thursday from 10 A.M. to 4 P.M. Closed Fridays and Saturdays. You'll be glad you discovered nuclear power.

Brookwood is located eighteen miles east of Rochester on Lake Road. Drive out Lake Road to Ontario Center Road. Or out U.S. Route 104 to Ontario Center Road, and north to Lake Road.
